THE VOICE OF THE WEST

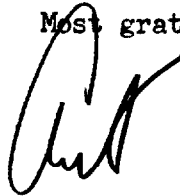

October 8, 1969

Dear Josh:

I can't thank you enough for your kind words to the editor. I shall split the pay-raise I know will be forthcoming.

But I object to your modesty. I thought your January column on making sub-humans far surpassed anything I have done and equalled Swift.

Most gratefully,

A handwritten signature in black ink, appearing to read 'Art Hoppe', with a large, stylized initial 'A'.
